

President's Message

In the Chinese calendar this is the year of the Tiger. Let us all take on characteristics of the Tiger, they are passionate, charming and dynamic.

With your charming personality, reach out to the people you see every day, at social event, at the store, at the car repair shop, at school, at church, and/or work. Practice being charming, you can do it. Did you make a commitment to bring a new member in this year? I hope that you did. With the charming personality of a Tiger, you will bring one new member into your club. Everyone will benefit, your Club, Council, Region and International. A new member will bring enthusiasm to your club and many times they will bring in new visitors, potential members to your club.

How are you doing on your Accreditation Goals? Be passionate like the Tiger. Take charge of reaching your Accreditation goal. Many of us do Accreditation projects, but don't ask to be evaluated. Our members who have achieved their goals are passionate about reaching the next level. Each project they do at the Club, Council and Region is evaluated for Accreditation. You need to take the lead. Work with the Education Program Chairman at your Club and Council and plan your projects out for the year. Don't forget to ask to be accredited.

The speech contest is coming up, let us all show our talent, be dynamic. Prepare a speech at your club; do something different. How many speeches have you made this year? Most of us will say, zero, and that includes me. Now is the time of the year when POWERtalk International

members all over the world are preparing speeches. Join the team and prepare a dynamic speech.

As President, please let me know your plans for achieving your accreditation goals, for inviting a visitor to your club and for the type of speech you going to give. Be like the Tiger, passionate, charming and dynamic.
