We were happy to see Euniece Willingham and Donna Jones-Brown at our last meeting. Our club members want them to know that we missed them and hope they can attend our next meeting. They are starting a new business helping women and children that have been abused. There is overwhelming need for helping individuals in abusive relationships, to have a place to start over and take charge of their lives. They need donation such a food, clothing or funding, if you have something to donate please contact Euniece at (562) 449-6014.

The club was so happy to see Mary Stanton at the Council 2 meeting in April. We hope that she can come to our next club meeting. It should be great learning experience. We will be talking about overcoming health issue and how some people have handled adversities in their lives.
