

## WAYS AND MEANS

We are going to have our biggest “fun” fundraiser of the year.

### *The Country Faire –November 15*

Let’s get creative with homemade products, of food, canned fruits and vegetables, items that are baked, sewn, crocheted, knit, or otherwise put together by hand.

And last but not least, besides filling a table with your merchandise for your club, make sure you personally bring your club members with you to buy, buy, and buy.

You may be able to purchase last minute homemade gifts for Christmas, or buy delicious food to serve for the holidays. Remember that the club that has the most members in attendance wins \$\$ for their club as well.

**REMINDER** Please turn in your money for your **Entertainment® books** to Council 2 as quickly as possible and if you need more books, please give me at call so I can get them to you. Remember sell, sell and sell.

Maria Trujillo Tough  
Ways and Means Chair

## PREM Fund Raiser

The PREM Committee is planning on collecting recyclable plastic bottles, aluminum cans and recycled glass for its Council 2 Fund Raiser. We are requesting all Council 2 members to help with the fund raising project. The goal is to collect \$200 dollars. The members can bring their recyclable collections to the council meeting or to their club if the PREM Chairman is in attendance or call chairman for special pickup. The collection process will run from October to April 30 or until the \$200 budget amount is collected, if earlier than April 30.

Liz Richardson  
Council 2  
PREM Chair
