### Highlights of the Golden Opportunity Club (GOC)!!!

GOC continues to move forward and support the “Renew and Revive” theme!!

- Recently, members of Golden Opportunity created an opportunity to present a series of mini-programs centered around the skill of “Effective Networking”. Each member had an opportunity to present a 20-minute program on key concepts of effective networking and its value in leadership and communication.

*“Impromptu Speaking” was presented by Maria Trujillo-Tough*

*“Effective Networking” was presented by Alan Nakano*

*“Skill of Small Talk” by Nik-Cole Johnson*

*“Effective Listening” by Utako Kimura*

- Mini-segments were dedicated to Parliamentary procedures and our club’s President dedicated special time to review the “Duties and Responsibility of Club Officers” so far we have covered the duties of our President, Secretary, Treasurer and Vice-President!! These have been well received, with positive feedback on the value of this education.

We invite each of you to attend one of our club meetings held every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of each month, at the Bateson Building at 1600 9<sup>th</sup> Street between 12pm – 1pm. We look forward to seeing, learning, and sharing with you!!!
