

Valley Communicators Club

Happy New Year to you all! Hopefully everyone enjoyed the holidays!
A time of joy, love, family and friends...

Our club has exciting news to share:

Judy Magee and **Ernie Thornberg** became Mr. and Mrs. on November 23! Join us in congratulating them and wishing them a long and happy life together.

Our December club meeting was our annual Christmas party. Our meeting was done in a party style format. We enjoyed everything from holiday traditions, songs, poems, stories and games. All those present also enjoyed a gift exchange done in a game style format. We closed the party with a potluck. All there had a good time. We were pleased to have guest **Liz Richardson** join us for the fun. By the way... do you know the name for Santa in Russia? How about Germany or Norway? See Denise at the next council meeting for the answers!

Guests are always welcome. Please come join us for a Saturday morning.

We meet on the second Saturday of the month from 9 a.m. to noon at Rio Las Palmas Retirement Villa, (second floor, Bingo Room), 877 E. March Lane in Stockton. The facility is located on the corner of Holiday and March Lane. Directions can be found on our website: <http://www.vcommunicators.com/>
